

Directions to Order Books:

- 1) Go to www.emichshop.com
- 2) At the top, click on TEXTBOOKS.
- 3) Select Fall 2020 Term
- 4) There are two ways that you can search for your textbooks. You will need to make sure that you have your schedule available. You can either do it by putting in each department, course, and section. Or you can search by Course ID, which is the same number as the section. You can insert all of your courses as once.

- 5) After you have inserted all of your courses, click "Find materials for (#) course(s)." You will then get a screen like below.

- 6) Since you are not allowed to rent physical books, you would need to pick between BUY new, used, and rent digital. You are allowed to rent digital because it is an online material, and there is not a contract involved.
- 7) Once you have selected the books you need, you can select, "Add # item to bag."

HEADS UP! YOU HAVE ALREADY ADDED THIS ITEM TO YOUR BAG.
