

Dear parents,

We have had requests to simplify how to participate in the WIHI PTO fundraising efforts. We will be sending out these e-mails with information on how to participate. In addition you can find these instructions as well as all of the other program instructions by visiting the PTO page of the WIHI website.

**This week: 4 Easy Steps to Busch's Cash for Education Rewards**

**1)** Pick up a Busch's Cash for Education card at the WiHi front office. Please let us know if they run out and we will order more.

**2)** Visit the following "Step 2 Link" below to sign up for a Busch's MyWay account. (Note: If you already have a Busch's My Way account you can skip this step and go to step #3 below.) Once you fill out the MyWay account form Busch's will send an email to the email address you used to verify and activate your account.

**4)** When your Busch's Cash for Education card is registered (it should confirm **Washtenaw International H.S. PTO** as the registered card) take your card to Busch's when you shop! At checkout present your card to the cashier along with your regular method of payment and WiHi will receive credit for your purchase each and every time you use it. \*if you leave your card at home the cashier is also able to pull up your account by using your phone number you entered in your Busch's MyWay account.

That's it, you're done! Please let us know if you have any issue or call Busch's customer service at [\(734\) 214-8088](tel:734-214-8088)

WIHI will receive a check from Busch's quarterly based on the total reward amount combined from all families. Funds are accumulated and calculated by the amount of groceries purchased. **WiHi will earn 5% on purchases paid by cash, check or debit card and only 3% of purchases paid by credit card.**

If you spend \$100.00 a week on groceries at Busch's WiHi will earn \$260.00 a year in FREE money!

**Thank you for your participation, it all adds up to make a big difference!**
